23 ACACIA MEDIA TECHNOLOGIES
24 CORPORATION

Case No. 05-CV-1114 JW

**DEFENDANTS ECHOSTAR
SATELLITE LLC AND ECHOSTAR
TECHNOLOGIES CORPORATION'S
SUPPLEMENTAL CERTIFICATION
OF INTERESTED ENTITIES OR
PERSONS**

**(FED. R. CIV. P. 7.1 AND CIVIL L.R.
3-16)**

25 Pursuant to Civil L.R. 3-16 and Federal Rule of Civil Procedure 7.1, the undersigned
26 certifies that the following listed persons, associations of persons, firms, partnerships,
27 corporations (including parent corporations), or other entities (i) have a financial interest in the
28 subject matter in controversy or in a party to the proceeding, or (ii) have a non-financial interest
in that subject matter or in a party that could be substantially affected by the outcome of this
proceeding:

- Defendant EchoStar Satellite LLC, now known as DISH Network LLC, is an indirect wholly-owned subsidiary of DISH Network Corporation (“DNC”), f/k/a EchoStar Communications Corporation. DISH Network Corporation is publicly owned and traded on the NASDAQ national market under the symbol “DISH.”
- Defendant EchoStar Technologies Corporation, now known as EchoStar Technologies LLC, is an indirect wholly-owned subsidiary of EchoStar Corporation, f/k/a EchoStar Holdings Corporation. EchoStar Corporation is publicly owned and traded on the NASDAQ national market under the symbol “SATS.”
- Depending on the method used to calculate percentage of ownership, Fairholme Capital Management LLC could be construed to own 10% or more of the stock of DNC. The determination depends on the method used to calculate percentage of ownership. Specifically, the stock of DNC is comprised of class A and class B stock. Each share of class A stock entitles its owner to one vote with respect to corporate governance; each share of class B stock entitles its owner to ten votes. If ownership of either class is sufficient, then Fairholme Capital Management LLC could meet the disclosure threshold of Federal Rule of Civil Procedure 7.1.

In making the foregoing disclosures, the undersigned has, in accordance with Rule 7.1 of the Federal Rules of Civil Procedure, only disclosed (1) publicly held entities (2) that own ten percent or more of the stock of DISH Network Corp. or EchoStar Corp.; it has not disclosed other shareholders that do not meet both of these criteria. Additionally, the undersigned has not disclosed individuals or entities against whom the patents-at-suit in this litigation have been asserted in separate litigation and whom could stand to benefit from a determination by this Court adverse to the patentee. The undersigned will make such additional disclosures as are ordered by the Court in accordance with pertinent law.
